STEP 2 2018-2019 FUEL THE CYCLONES FUNDRAISER. Please See the flyer on reverse side for more information.

Fundraising in Middle School is different than at the Elementary level. The Parent Teacher Organization and Centennial Middle School both raise money separately, helping us to stay in compliance with current rules. Please reference the flyer (reverse side) for more information. All contributions, regardless of the amount, directly impact the education that Centennial can provide for each and every student. And if donating money is not for you, there are other ways to get involved, including volunteering. Go to the PTO website at <http://www.centennialmspto.org/> for more information. *Thank you for your generous support of our school. We could not do what we do for our students, without the incredible generosity of our community!*
